

Bigtime Liberal, Smalltime Bleeding Heart

Mailbox deluged &
Amnesty International

even phoned. So my plan
is to ignore them all
despite hauntings.

After giving once,
I pass the ball.

Thought I'd stick every-
thing into Salvation

Army kettles because
of anonymity. But, hey,

they also got me from
sucker list & have mailed!

Oh well, always little kids
& their canisters for
Little League.
